Services List

Service #	Service Name	Description	Price	Poster	Action
1	aggregate supply	An Aggregate Supply Service refers to the provision of construction and landscaping materials, such as sand, gravel, crushed stone, and other aggregates, essential for building projects, road construction, and landscaping tasks. These services typically involve sourcing, processing, and delivering these materials to customers like construction companies, contractors, or homeowners. The focus is on ensuring consistent quality, timely delivery, and appropriate quantities to meet project requirements efficiently.	500.00	Image Not Found	Delete
2	cement delivery	We provide fast and reliable cement delivery for all your construction needs. Whether you need Ordinary Portland Cement (OPC), Ready-Mix Concrete (RMC), or specialized cement blends, our fleet ensures on-time delivery to your site. Our service guarantees high-quality materials, bulk or bagged options, and competitive pricing to keep your project on schedule.	400.00	Image Not Found	Delete
3	Brick and Block delivery	We offer fast and efficient brick delivery to meet your construction needs. Whether you require clay bricks, concrete blocks, or fire bricks, our service ensures on-time delivery and high-quality materials at competitive prices. We cater to both small and large-scale projects, delivering bulk orders straight to your construction site with precision and care.	200.00	Image Not Found	Delete
4	steel and timber delivery	Steel Delivery: We provide high-quality reinforcement bars, structural steel beams, sheets, and pipes to support your construction projects. Our reliable delivery ensures that your materials arrive on time and in perfect condition, helping you build strong and durable structures. • Timber Delivery: Whether you need hardwood, softwood, plywood, or treated timber, we supply premium-grade timber suitable for framing, flooring, roofing, and furniture-making. Our carefully selected timber ensures strength, durability, and sustainability for your construction needs	600.00	Image Not Found	Delete
