

# Our Syndic Services

Our syndic services encompass a wide range of responsibilities aimed at easing the burden of property management for owners and developers. We pride ourselves on our ability to address every aspect of property management with professionalism, transparency, and a client-centric approach. Our key services include:

- **Financial Management:**

We handle all financial aspects of property management, including:

- Bank account management.
- Collection of syndic fees and payment recovery.
- Payment of suppliers and service providers.
- Preparation of financial statements and transparent accounting.
- Budget preparation for property maintenance and future investments.

- **Maintenance and Repairs:**

We ensure that your property is well-maintained, with preventive and ongoing maintenance. Our services include:

- Regular inspections of the property.
- Management of all repair works, from minor fixes to major renovations.
- Landscaping, cleaning, and waterproofing services.
- Oversight of third-party vendors for specialized services such as plumbing, electrical work, pest control, and swimming pool maintenance.

- **Administrative Management:**

Our experienced team takes care of all administrative duties related to the syndic, including:

- Organizing and holding **General Meetings** with owners.
- Preparing agendas, sending out convocations, and managing meeting minutes.
- Filing important documents and records, both physically and digitally, ensuring they are securely stored and easily accessible.

- **Vendor Management:**

We manage the entire tendering process for selecting the best service providers, from gathering quotes to overseeing job execution. This ensures that the property receives the highest quality services at the most competitive prices.

- **Human Resource Management:**

For larger properties, we handle the recruitment, employment, and payroll of on-site staff, including cleaning personnel, maintenance technicians, security officers, and more.

- **24/7 On-Site Support:**

Each property under our management has a dedicated team ready to handle any issues that arise, including:

- **On-Site Maintenance Officer** for handling immediate repairs and inspections.

- **On-Site Executive Secretary** to manage day-to-day administrative tasks and assist owners and tenants with any concerns.
